## OVERVIEW

Established in 2016, Capron is an ISO and CE certified manufacturing company; has grown up as one of the best quality tile manufacturer amongst the industry. With the experience in the supply of tiles to various segment of market such as Architects, Interiors, Contractors, Developers and Retail Customers.

Our company remains same to every part of our business, which is to provide quality products at reasonable prices, dealt by our strong business associates' network on longer relationship and with the efforts of best sales team guided by professional management to own a beautiful home is dream of all, that home may differ in its shape and size but the need of beauty and peace required from that home by all is same.

Today, the era of new generation wants drastic changes to convert the Traditional art into the Modern glint. They want to turn Bathroom into Glamour Room, Walls into Architecture Calligraphy, Bedroom into the Reflection of expressions & attitude and Halls & Kitchens into Jeweller of roof. Ceramic Tiles is the medium that has turned out these illusions into the reality.

What does Capron mean to us, or should mean to you? What are the factors that come to our knowledge when we think of Capron?

The answer to this question is a vision beyond the standard horizon, and deeper than what the word itself stands for.

We have a determined vision, a resolute ambition, and an untiring determination thriving confidently towards a brilliance that will redefine superiority.

## Best of Capron Choose us for...

To us, perfection is not just about selling fabulous tiles that are beautifully designed. Perfection is the daily on-going pursuit, which our company strives to achieve both in our sourcing of products and service levels. We are constantly working with our designers to design new products, improving our service and developing new ways to reduce our impact on the environment whilst simultaneously keeping prices low for our customers.
