## WHO WE ARE?

### CAPRON VITRIFIED

isaforward-thinkingtilemanufacturing company based in the heart of India's ceramic hub.

We specialize in high-quality vitrified and porcelain tiles that blend functionality with flawless design. With innovation, precision, and aesthetics at our core, we bring life to spaces—both residential and commercial—across the globe.

We are driven by craftsmanship, backed by advanced technology, and built on a foundation of trust, ethics, and long-term customer value.
